

Artá Capital invests in Gesdocument in order to accelerate its growth

Madrid, 23 June 2022

Artá Capital has completed the acquisition of Gesdocument, previously owned by the Spanish leading law firm Cuatrecasas.

Founded in 1989 by Cuatrecasas, Gesdocument is one of the leading business services outsourcing firms in Spain, advising companies in accounting, tax and labour matters as well as providing other complementary services. Over the last few years, it has achieved sizeable growth thanks to the dedication and commitment of its more than 200 employees and the trust of its more than 5,000 clients.

Following Artá Capital's entry, Gesdocument will develop a new strategic plan, which will include relevant investments to promote the development and innovation of its processes and services in order to accelerate the company's growth, while maintaining client satisfaction and employee loyalty as key objectives. This plan also envisages selective acquisitions, which will enable Gesdocument to become the leading consolidator in the business services outsourcing sector in Spain.

It is key for Artá Capital and Gesdocument to maintain the service excellence and client dedication inherited from Cuatrecasas. Following the transaction, Gesdocument and Cuatrecasas will strengthen their current commercial relationship, as Gesdocument will continue to be a key business partner for Cuatrecasas.

Artá Capital's investment track record and its proven capacity to add value to its portfolio companies has been a decisive factor in the selection of Gesdocument's new shareholder. Aldgate Capital Partners, Eversheds Sutherland, EY and Simon-Kucher have been involved in the transaction as Artá Capital's advisors.
